Buon Vino Mini Jet Filter Diagram

Filtering Pad Insertion

Coarse Side

Coarse/bumpy side of filter pads always faces towards black hand wheels.

- A- Drip Tray Hose (shorter, small diameter)
- B- Intake Hose (with wire and sediment tip)
- C- Output Hose (longer, larger diameter)

IMPORTANT NOTICE

Buon Vino filters have been designed to use original Buon Vino filter pads. Using filter pads that are not marked Buon Vino Manufacturing may result in problems with filtration and could affect the performance of the filter. Using NON-original Buon Vino filter pads can void filter warranty.
